

ENCORE NEWS

In ART...
with Ms. Doss

Our second nine weeks at Silverdale was incredibly eventful! We worked hard on color. If your student is in any grade you can ask them about the primary color rap and they will impress you with their knowledge of the primary and secondary colors! We used these in paintings of our students favorite animal. Students had to mix the secondary colors by using the primary colors.

We are also working hard on clay forms right now. Kindergarten students are creating elbow pots, First and Second are working on pinch pots as Third graders are getting their hands into coil pottery! Fourth grade students are learning about the history of the North Carolina Face Jug! Fifth grade students are working on a special surprise for their families, so I cannot disclose what they are working on yet!

We are also looking forward to an art show at the Onslow County Museum in May!

Students created bird nests!

In the Media Center with Mrs. Meadows....

Kindergarten through 5th grade students have enjoyed learning about Colombia. They were able to have hands-on experiences with authentic Colombian items provided by the Carolina Navigators Culture Kit program. Staff members who visited Bogota, Colombia over the summer and shared their photographs and experiences with the students.

K-2 worked on literacy activities to reinforce concepts introduced in their classrooms.

3-5 students also worked on becoming good digital citizens by completing activities from Common Sense Media.

If you have not completed an Onslow County Public Library LEAP pass application for your student, please contact their teacher so we can send one home!

ONSLOW COUNTY PUBLIC LIBRARY

The Spring Book Fair
will be on campus
from
April 24th - May 3rd!!

"Any book that helps a child to form a habit of reading, to make reading one of his deep and continuing needs, is good for him." -- Maya Angelou

Notes from Music

with Mrs. Sumner

Each grade worked very diligently over the second nine weeks to learn about different musical concepts.

KINDERGARTEN

Kindergarten students all had a chance to play different instruments and learn how to keep a steady beat on them as well as had many opportunities to lead their classes in echo songs getting many opportunities to solo sing.

1ST GRADE

First grade has been working hard on incorporating songs and instruments into a variety of books. Be on the lookout for a program in May for your chance to hear some of these books come to life with instruments and song.

2ND GRADE

Second grade has been working extremely hard on their Military Appreciation program that will be held on **April 16 at 6:00PM**. Second grade parents please remember to send in pictures of family members that have served or are currently serving in the military. We will be using these pictures during the performance.

3RD GRADE

Third grade is having a blast folk dancing. We are learning songs and dancing from all over the world. Ask you child to show you one of the many dances!!

4TH & 5TH

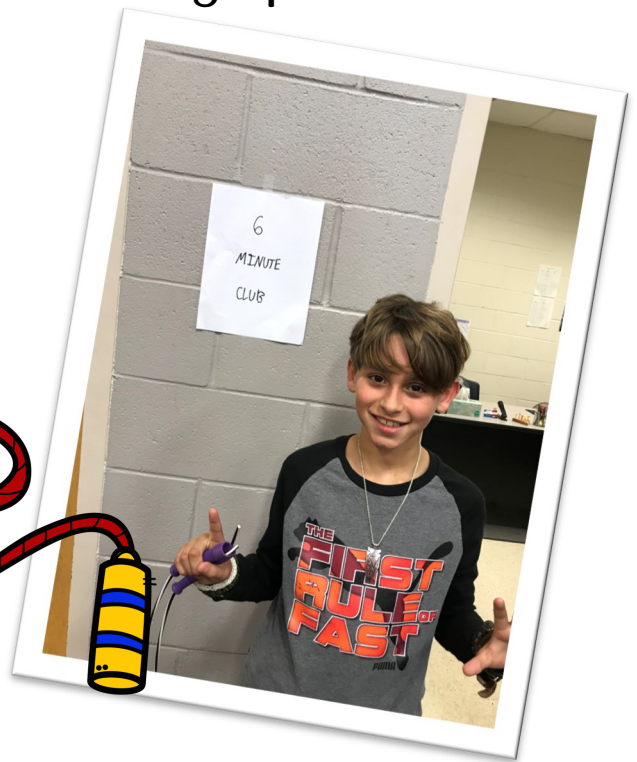

Fourth and fifth grade learned about quite a few influential musicians during Black History month and is on their way now to start the recorder. It has been a very busy few weeks and are excited for many more fun things ahead in music class.

POINTS FROM P.E.

FROM MR. SLIGH

The past couple of months in PE we have been working on gymnastics, line dances, jump roping, and hitting/ striking games/activities.

Congrats to the 70 students who made our jump rope "minute club" and to Skyler Cash for setting a new school record being able to jump rope for over 6 minutes without stopping or messing up!

Upcoming Events:

- April 17th - 5th Grade track meet at White Oak High School
- May 9th - Field Day Grades 3-5
- May 10th - Field Day, Grades K-2

We hope to see you there!
