# Self-Advocacy

- ▶ Be an active participant
- ▶ If you are struggling, please let someone know
  - "I don't know how" vs "I need to be walked through a problem 1:1."
  - "I don't know what to do" vs "I understand better when the instructions are written so I can re-read them."
  - Motivation vs. Barriers
- ▶ We can't help if we don't know.
  - Talk to your teachers, counselors, and parents about where you are struggling so we can try new things
