Advanced Studies –  
Teacher must approve

Internship – Application Required

Generally off campus

Students are paired with work sites  
to gain experience in an interest  
career field

- Students are encouraged to find  
their own sites

Students must have a license

Only Juniors/Seniors

# Controlled Enrollment

- Students may apply to attend DHS out-of-district for any of these programs.
  - Students/Families must provide their own transportations.
  - Seniors may not apply for Controlled Enrollment for any school.
  - Applications are due by April 29, 2024
  - Application: <https://www.onslow.k12.nc.us/Page/50945>
- Marine Occupations Pathway – Dixon High School
  - Agriscience Academy - Richlands High School
  - Animal Science (STREAM Academy) - White Oak High School
  - AP Capstone – Northside & Richlands High School
  - Engineering Academy – Richlands & White Oak High School
  - IB Diploma Program – Jacksonville High School
  - Sports Medicine – White Oak High School

# Skills Center Interest Process

- Students interested in taking a course at the Skills Center will be asked to fill out an interest form
- Meeting with Ms. Huie
- Allotments are given to schools based on enrollment
- Students will still enroll selecting courses at DHS, but if a student is enrolled in courses at ENCRSC, those courses will take the place of ones chosen for DHS.
- Questions? Concerns? Email [tiffany.huie@onslow.k12.nc.us](mailto:tiffany.huie@onslow.k12.nc.us)
- Interest Form: <https://forms.office.com/r/krSR619iXd>

# Skills Center

- Students register for a program they are passionate about
- Students going to the Skills Center travel to the facility, located in Burton Park, for half of the day
- Each period is over 2 ½ hours long
- Students will take 2 courses in 1 semester – 9 weeks each
- Attendance is the most important thing
- Being motivated to learn and work is the next most important thing

# College Pathways

## College Transfer Pathways:

- Associate in Arts
- Associate in Science
- Nursing (Associate Degree Nursing)

## Continuing Education Pathways:

- Emergency Medical Technician (EMT)
- Nurse Aide
- Pharmacy Technician

## Career and Technical Education:

- Finance Certificate
- Fire Investigator Certificate
- Hospitality Supervisor I Certificate
- Income Tax Preparer Certificate
- Marketing and Customer Service Certificate
- Mitigation and Preparedness Certificate
- Systems Security Certificate
  
- 2025 will bring more Career and Technical Certificates
