

## Welcome to First Grade with Miss Field

-  This is my fifteenth year teaching.
-  I have taught grades 1-5, & have taught teachers too!
-  I taught first grade in Onslow County last year too!
-  I love teaching Reading & Science!

My email is [jessica.field@onslow.k12.nc.us](mailto:jessica.field@onslow.k12.nc.us) (just make sure there's no "s" on my last name ☺). As we work together, ClassDojo will be the fastest way to reach me.

Communication throughout the year will be done through ClassDojo, & live instruction will be done via Microsoft Teams.

We will have our own class Team where we can meet together every morning for Reading, Writing, Math, Science, & Social Studies.

Independent work & lessons will also be assigned in the Ready Math & Pearson programs.

I am looking forward to working with you to make your child's first grade experience **AMAZING!** Together we can make it happen.
