

CLASE DE LA SENORA QUIROGA TERCERO, CUARTO Y QUINTO GRADO DLI NEWSLETTER

De Septiembre 11 a Septiembre 15

- ✓ Special recommendations:
Please let me know when you change plans for dismissal. You can send a handwritten note with y our kid to make me aware of it. I cannot go by
- ✓ On September 13 third grade students will have their BOG. Please send them in with breakfast.

2. Assessments:

Third grade: two, three digits addition and subtraction using all strategies. (Place value, number line....)

Fourth grade: additions and subtraction whole number(Place value)

Fifth grade: Volume and area using unit cubes (Multiplication)

3. It is important to reinforce at home the topics worked on in class, since the training allows the acqvisiti on of knowledge (it is important to check the exercises sent).

4.Whislist: snacks

5. This is an opportunity to thank the Green, Gudin, Nance, Pinto, Anderson, Clark, Baker families for helping us with snacks and some classroom supplies.

6. Please follow the link to revise the school uniform guidelines.

<https://www.onslow.k12.nc.us/Page/36615>

7. check the annexed table of vocabulary and content for assessments.

I highly appreciate all the support I have been receiving, and I invite you to continue working for the welfare of your children.

Math 3	Science 3
<p>Topics: *Students identify ones, tens, and hundreds in a three-digit number. *Use strategies to add or subtract (place value – expanded form – regrouping numbers) Vocabulary Hundreds: centenas Place value: valor de posicional Digit: digito Tens: decenas Prior knowledges: • addition and subtraction</p>	<p>Topics: force and motion Vocabulary Force: fuerza Motion: movimiento Balance force: fuerza equilibrada Unbalances force: fuerza desequilibrada Strength: resistencia Gravity: gravedad</p>
Homework: Monday	

Math 4	Science 4
<p>Topics: *Students understand place value in 3 to place value in multi-digit whole numbers.</p> <p>Vocabulary: Digit: digit Place value: valor de posicional Extended form: forma desarrollada Model: modelo Ones, hundreds, tens</p>	<p>Topics: force and motion</p> <p>Vocabulary: Force: fuerza Motion: movimiento Balance force: fuerza equilibrada Unbalances force: fuerza desequilibrada Strength: resistencia Gravity: gravedad</p>

Math 5	Science 5
<p>Topics: Students will find the volume of rectangular prism.</p> <p>Cubo unitario: unit cube Figura plana: plane figure Figura solida: solid figure Unidad cubica: unit square Volume: volume Area: area Cara: face or a flat surface of a solid shape Prisma rectangular: rectangular prism Unidad cuadrada: square unit Superposicion: overlap Prior knowledge: <ul style="list-style-type: none"> • Multiplication and addition properties to multiply. • Distinguish between two- and three-dimensional shapes. </p>	<p>Class is divided into Ms. Willover and Blackwoods.</p> <p>Ms Willover: Barker, Bridges, Fleming, Garber Gavin, Gudin, and Pereira.</p> <p>Ms. Blackwoods: Bennett, Carey, Garber Gabriel, Matizwalters, and Soto</p>
<p>Assessment: Spanish: Thursday English : Friday</p>
