

## Frequently Asked Questions for ELA Standards

[One Note for New Standard Implementation](#) ← Please click on hyperlink.

### ELA Standards

- Where can I find the new K-12 ELA standards and crosswalk documents?
  - [NCDPI ELA Wiki](#) (← **hyperlink**)
- When will the new K -12 ELA standards be implemented?
  - Beginning of 2018-2019 school year
- When will the implementation of new K-12 ELA assessments begin?
  - ELA/Reading Grades 3-8 and High Schools: General and *NCEXTEND I* Field Test Year – 2018-2019, Initial Operational Year – 2019-2020
- How will the transition to new assessments affect score reporting?
  - Score reporting will be delayed in the Initial Operational Year, 2019-2020, to allow for standard setting. More information on the delay and impact will be provided by NCDPI in late summer 2018.
- What instructional resources are available from NCDPI?
  - A [virtual implementation kit](#) (← **hyperlink**) which includes lessons, standards, resources, text selection guide, and other resources is available.
- What parent resources are provided?
  - NCDPI provides an online page for parents that will include guides and resources for understanding the standards and supporting their students outside of the classroom.
- Will the standards be unpacked?
  - The new format includes a clarification that will replace the traditional unpacking document. The clarification will include standard explanations, examples, ideas for instruction, and a glossary.

**The Unpacked Content (which may have a name change from NCDPI) - Priority Standards for Math and ELA, will be updated by the Curriculum, Instruction and Global-Ready Services Department.**
