VOLUNTEER COACH AGREEMENT **(for Community Volunteers only)**

As a volunteer coach in _____ at _____
(sport) (school)

I understand that I am responsible for maintaining a high level of emotional maturity and good judgment. I understand that to the youth under my supervision and control, I serve as a role model, not only for the athletic program that I oversee but also for the school that I represent. I will not do or cause anything to be said or done that may result in ridicule or embarrassment to any member of my team or the team itself.

I acknowledge that I am experienced in the sport in which I volunteer, and I am qualified through that experience and my training to serve as a volunteer coach. If Head Coach, I have first aid training and certification in CPR, or an assistant coach on my staff is so certified. I know that there are inherent "risks" associated with some, if not all, athletic programs, and I will be mindful of those dangers associated with excessive physical exertion when extreme weather conditions exist.

I understand that I am not to transport students to off campus activities, either in my personal vehicle, or a school vehicle, unless specifically asked to do so by my principal. I have read the school rules and regulations that apply to volunteers, and specifically the Board policy on staff-student relations, and I agree to adhere to those rules, regulations, and policies at all times. I understand that matters of a personal or confidential nature that come to my attention will be referred to the proper school official, either the school counselor or school principal.
